

We provide excitement. For everyone. We were once a jewel of a company 3 persons strong and growing. We are now a jewel of a company 30+ persons strong and growing with two locations to serve you. We create jobs for our economy. We are forward in thinking and design. We look backward to learn. We are unpredictable. We love to laugh. We are in the homes of many famous and influential people. We are in the homes of many more not so famous people. We believe in WE. Not I. We believe in Family First. We believe children enrich our lives. We believe in enriching the lives of our children. We don't like mean people. We obsess over the smallest of details. We believe in giving great service. We are active in the pursuit of equality. We provide consistently good quality. We deliver consistently on time. We are timeless. We love pets. We give to our communities. We work with the best vendors and products. We love to entertain. We love to be entertained. We are traditional. We are non-traditional. We love what we do. We never miss a meal. We create an environment of mutual respect. We respect our environment. We believe in providing customers with a value. We value our customers. We are curious about everything. We are stopped by nothing. We are on a mission to make the world a more exciting place. We invite you to please join us.
